Legacy Planning Services

Today’s employers provide far more than a paycheck. Benefits packages can be a safety net for employees seeking support and information when facing a life crisis. Likewise, as a group life insurer, helping individuals and families work through end-of-life issues is fundamental to our business.

Our Legacy Planning Services are designed to support active and retired employees and their families when dealing with the loss of a loved one or planning for their own passing. We’ve made these resources easy to access through our strong technology connections with employers and employees.

Thoughtful planning for a life well-lived

End-of-life issues can be difficult to think about and discuss with loved ones. Putting wishes in writing make them easier to share.

- Asset distribution
- Last wishes
- Estate plans
- Last will and testament
- Power of attorney
- Health care directives
- Beneficiary designations
- Document locator

Final arrangements

Planning a funeral or memorial service can be difficult, both emotionally and financially. It can also be an important way to honor the life of a loved one and to help bring closure for those who mourn.

We offer information and guidance through the process – whether planning an immediate funeral or pre-planning. Topics covered include:

- Planning considerations
